Collections of **SHRUBS** selected by ourselves, good
Plants, at **Twenty-Five Shillings a Hundred.**

T. & J. BACKHOUSE

Will endeavour to procure any Hot-house or Green-house Plants, for which they may be favoured with Orders; and also any of the Articles enumerated in this Catalogue, should they at any time not have them all in their possession.

N. B. The figures in the first column, throughout the Catalogue, denote the time of flowering; as, 5—7 signify, that a plant flowers, from the beginning of the Fifth, to the end of the Seventh Month.

A CATALOGUE

OF HARDY

TREES AND SHRUBS.

N. B. The figures in the first Column denote the months of flowering.

Those marked thus † are Evergreens, and those thus * Climbers.

	ACER	MAPLE
5—7	tartaricum	Tartarian
4—5	Pseudo-Platanus	Sycamore
	— <i>fol. aur. var.</i>	Gold-striped do.
	— <i>fol. arg. var.</i>	Silver-striped do.
